The aft deck shares the same level as the swim platform and salon. It has a generously sized, comfortable L-shaped sofa for five persons with fold-able seating.

In the salon, the dining table folds down into a cocktail table with glass holders and stainless steel handles. Perfect for relaxing or social activities with friends and family.

The interior of the boat is of wonderful quality and atmosphere, particularly in regard to space and light. There is integrated ventilation with five large opening port lights for extra light intake. Upholstered bulkheads in light colors help to reduce noise.

The boat has two cabins, an owner's cabin (available with Queen bed or V-bed) and a guest cabin, sharing a common head with shower.
