This is a boat that possesses the rare combination of PNW fishing AND cruising! She is wired for 3 electric down-riggers, has modern electronics for fishing, and will easily accommodate 6 overnight guests. The newer Mercruiser engines are a recent upgrade from the originals and therefore have very low miles!

The owner is motivated to sell as he has moved up in size! Call us today to see this "ready to go" express cruiser with all the fishing capabilities you could ask for!
